The Gallatin Equestrian Partnership (GalleEP) will be hosting its first horseback caroling event on Wednesday, December 15. Riders will carol to members of the Senior Center, 807 North Tracy at 12:15, just after the Senior Center luncheon, then ride down North Tracy and carol to residents of Mountain View Care Center at 205 North Tracy. For the safety of drivers and riders, GalleEP advises drivers to slow down and pass wide if they encounter horses on the road. For more information email gallepmt@yahoo.com.
